## 1969

PRESIDENT HAROLD BENTLEY

# PRESIDENT'S MESSAGE

During November of this year an event took place which was unique in the short history of Northern Essex Community College.

The first graduating class of the college had its fifth reunion. It seemed a long time since 1963 when this fine group of people left the college with the first degrees ever given to our students.

This group included those who produced the first year book, the first newspaper, and the first traditions of the college.

Many could not be with us. They are scattered across the entire world. A large number are in the armed forces, others are in key positions in industry and business. Many have gone on through graduate school. A considerable number are high school and grammar school teachers. Some now teach in colleges. Two of them are members of our faculty. These two helped organize the fifth reunion.

The really impressive thing about the whole affair was the discovery of what a great difference five years can make. Many of our first student generation are now parents and have families that are a fine resource in the communities where they live. They have proved that Northern Essex Community College really does the job of educating its students.

We who remain in the college have a great sense of satisfaction in knowing so many young men and women who come to us with much to offer, and who leave us with even more to give to their world. Each year there are more students, more graduates, and more wonderful people to remember.

When this class leaves our college they will do well and will belong to our ever-increasing list of new friends of the college who fill our minds with splendid memories and intriguing new hope for the days ahead.

We wish you all that life should give you and that you should give to living.

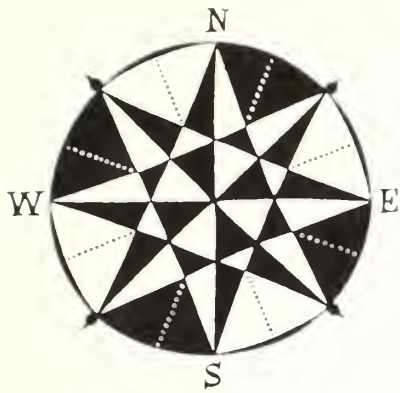

A handwritten signature in dark ink, appearing to read "Harold Bentley". The signature is fluid and cursive, with a large, stylized "B" and "T".

I wish this was in French.

I think I just sat on my lunch

Hello! Is that you

Sure is hot out!

Don't look at me like that!

I'm a girl watcher.

What's he talking about now?

Why me?

I hope she doesn't see me eating!

Are you sure the X goes here?

ONE and ONE are TWO

# THE LOUNGE

Just up front please

Let go of my hand

Reading between the lines

"Once upon a time..."

"I'll meet you outside!"

"You can say that again!"

"This coffee's good for something!"

Just hanging in.

"Peaceful day."

bad joke - "

It's a good book

I like teaching the nurses

A-B-or C?

Coming in loud and clear

Where Did I put it?

My momm. showed me how to do this!

They had the same tree last year.

Getting in the "spirit"

And the next step

$E = MC^2$

And they said it wasn't interesting

How sweet it is!

Let's take a picture

Faking it

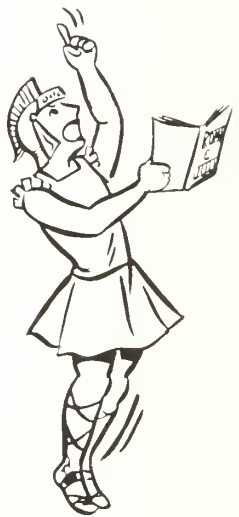

Either this is broken — or you're dead

And then I slew the ferocious dragon

I wish they'd talk louder

Sitting pretty

Stop! you're making her blush.

He gave this question and this question .

Now, let's see, what should I do THIS weekend.

And they say this is a co-ed college?

Whats new pussycat?

Oh, ya She'll do!

My car was what??

See what Metrecal did!!

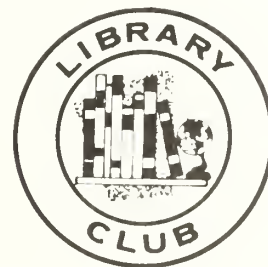

Poco y Poco!

You've got to be kidding!

... And this is Miss February

Finally he snapped it!

And number five is

Love those mini-skirts.

You rang?

It's here in black and white.

The Hell with studying!!

Were you talking to me?

Here I am!

I'll never pass that test

I don't believe it"

Come on - 7

It had to be love at first sight

You can't move there!

Dam thing must be on the blink!"

I wonder why?

Grazing in the grass

Oh, don't be silly

Good morning!

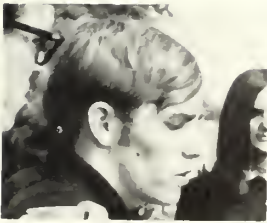

Just 10 more minutes.

This is what school is about

'I can see better without them'

'Thik you're smart ha?'

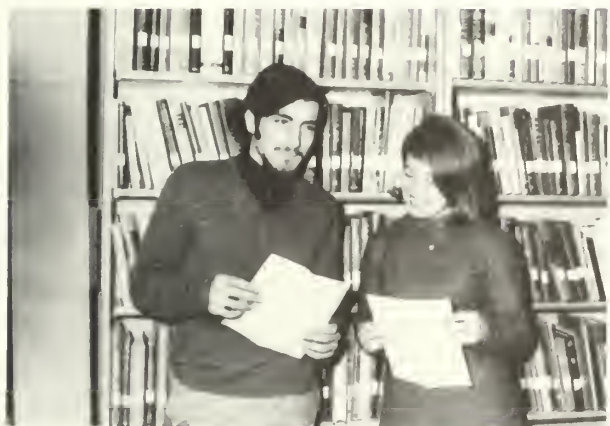

'This light is killing me'

I being of sound mind and body

Super What?

Just in case

## LUMEN MESSAGE

During the production of the Lumen, we, the members of the Lumen staff, kept one thing predominant in our minds – the student body. Through remembrance of teachers, clubs, social activities, and students, we painted a picture of Northern Essex Community College as we felt life has been here during the last two years. There were instances when the production of the yearbook was hectic. We wrote, selected pictures, drew and re-drew, and often worked late hours in order to meet deadlines.

We are now leaving Northern Essex Community College with hope that you will look back at your yearbook and recapitulate the many cherished moments of your education. Bearing in mind the theme of the Lumen that “*Light dispels darkness*”, we can enter the world with hope that this light will be seen in our every moments of despair.

We do not feel that your yearbook can be dedicated to any one person in particular. A dedication of this sort would be an injustice to the entire student body. Thus, we, the Lumen staff of 1969, dedicate this yearbook to you – the students. With pride and appreciation, the Lumen staff presents to the class of 1969 your yearbook.

# *Appreciations*

Thanks first and foremost to Kathy Reusch, Rita Batchelder, Claire Macoul, Carol Avidisian, and the entire Luman staff.

To Al Arcidiacono for the many excellent photographs used.

To Mr. Rogers of Roger's Studio for his time and photographs.

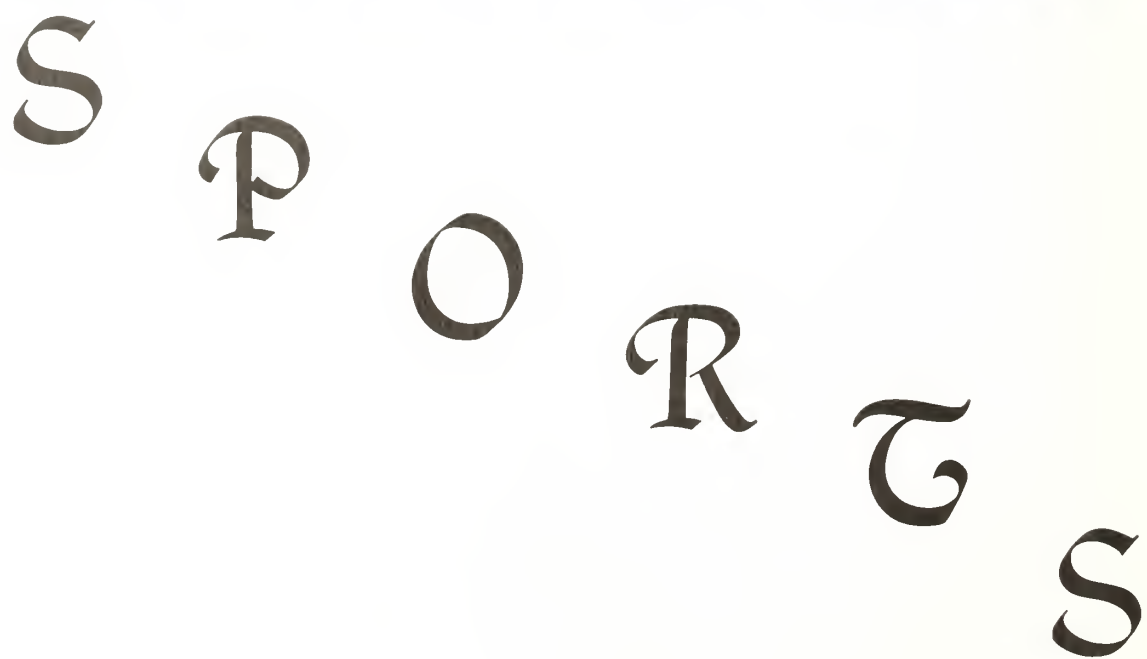

To Mr. Dick Weir, the American Yearbook Company representative, for his assistance and candids.

To Mr. Ernest Arnold, our Advisor, for his great help and encouragement.

And finally to Mr. Charles Schultz for his permission to use *Peanuts* character for reproduction.
